## PARKING IN MALTBY AVENUE

A resident in Maltby Avenue has mentioned that when U3A is meeting his driveway is blocked on a regular basis, presumably by our members.

**If you park in Maltby Avenue please check that you do not block or partially block residents' driveways.**

## U3A lectures are for members only.

We regret we're unable to welcome visitors to our lectures – to do so would be unfair to those on the membership waiting list.

This talk will focus on the way that Artificial Intelligence (AI) will change the way New Zealanders live and work. I will look at the effects of the coming AI revolution on earnings, productivity, job security, and inequality. I will also ask whether AI might change the way that we value work.

**19 July      Cannot keep it simple: Creativity in the 21st Century      *Dr Mark Menzies***

I'd like to introduce you to my creative practice, and it is not simple. I am a musical performer, composer and poet, and it is the combination of these pursuits that fuel my creative thinking, and have led to a career that spans the globe.
